Mexico's Boat Show and Marine Products & Services Fair

Cabo San Lucas, Mexico (May 30, 2012) – The returning Cabo Marine Show is poised for growth in its continuing mission to establish Mexico's leading International Boat Show and Marine Products and Services Fair. A new lineup of exhibitors and a change in venue on the Cabo San Lucas marina reflect an ever-growing segment of Mexico's robust nautical tourism, boating and yachting market.

Event Highlights

Boating enthusiasts will be flocking to Cabo San Lucas in July to celebrate Cabo Marine Show's 3rd consecutive year as the only boat show and marine products and services fair on the Baja California peninsula and Mexico's entire West Coast.
